

Sea Tel

Look to the leader. Look to Sea Tel.

Note: Satellite signal may be lost due to ship motion when in the shaded area.

Please note that while this information is believed to be correct, Sea Tel has no control over actual satellite operation or footprint coverage. This coverage map is intended as a guide to reception and the actual coverage area and signal strength may vary. Also, signal strength and reception within the footprint may be affected by weather.

**Model: Coastal 30
95.0W DirecTV Latin America
Use DLA or Americas Circular LNB**
